

ABBREVIATIONS

- sc – single crochet
- inc – increase (sc2 in one stitch)
- dec – decrease (go from 2 stitches to one)
- hdc – half double crochet
- dc – double crochet
- slst – slip stitch
- sc6 – single crochet 6 times
- MR - magic ring
- FO - finish off
- [inc, sc] 6x – repeat the thing between the brackets 6 times
- (dc, sc) – do the thing between the brackets in one stitch
- (36) – at the end of the round, you will have 36 stitches

If I don't specify how to finish off something, just slip stitch to finish off and cut the yarn. Some people like to leave a long yarn tail everywhere to sew the piece to the body. I prefer to cut short tails and cut 1 long strand of yarn to sew everything together at the same time.

MATERIALS

Crochet hook

You can choose your own size, just make sure you use the right size of yarn to go with it. I used a 3.5 mm hook.

Yarn in different colors

Each pattern states which colors exactly. Make sure the yarn weight matches your crochet hook!
I used 8ply/double knit.

Black yarn for embroidering features

Stitch markers

Tapestry needle

Fiber-fill stuffing

These toys are for **fundraising only!**
They are **NOT** for sending to Australia. Please keep making the big toys!

I just made these patterns so people can sell these small toys to raise money for shipping their big toys. The big toys are the priority :).

DO NOT SEND THE SMALL TOYS TO AUSTRALIA
